

The IISHF Finances for the year 2006 have been audited on Friday 23rd February 2007 in Lisbon by the elected members of the Audit Committee Stefan Brütt (Germany) and Jan Lebis (Austria).

All the files and documents have been present and completed. There have been no complaints when randomly reviewing the accounting. All income and expenses have been used only for purposes of inline skaterhockey.

The accounting has been well structured, transparent and very accurate.

The members of the Audit Committee have no point of complaint or criticism and therefore we apply to approve the activities of the IISHF Presidium (*as fixed under point 9 of the agenda*).
